"Today, more children than ever are struggling with health consequences resulting from a lack of physical activity in their lives," Rep. Slaughter said. "We need our schools to get kids outside and active again, so that good health will

go hand in hand with□ a good education."
- § The Rochester City School District will receive \$318,873 to be used between June 1, 2007 and May 31, 2008.

BACKGROUND

The Carol M. White Physical Education Program provides funds to local educational institutions and community-based organizations to initiate expand and improve physical education programs for students in one or more grades K through 12.
Physical education is an important safeguard against childhood obesity, and has been shown to have a positive effect on children's self-esteem.
